

JACLO®

Confidence from start to finish.™

Your One Stop Shop - JACLO offers the Whole Package for Your Bathroom

JACLO is your one-source manufacturer for a full range of decorative plumbing fixtures. Faucets, showerheads, handshowers, grab bars, channel drains, accessories, supply valve kits, traps, sensor products, and the list goes on.

With JACLO products, fulfill all of your bathroom fixture design needs or just fill in the gaps in the design process. With a wide range of products, JACLO offers superior design solutions no matter the stage a project is in: design, installation, or final touches. Our company is built upon the philosophy of helping customers feel confident from start to finish, when working with JACLO products. We believe that every interaction with our company needs to be exceptional and we are passionately committed to making your interactions with us effortless and satisfying.

Our Promise is to Make Your Bathroom Design Process Simple and Easy...

Best Selection — JACLO has the widest range of faucets, accessories, showerheads, handshowers, grab bars, channel drains, and decorative specialties on the market. You do not need multiple plumbing manufacturers for your bathroom fixtures...just contact JACLO.

35+ Finishes — JACLO offers a multitude of finishes to match or blend with most manufacturers' offerings. Complete the look of your bathroom with decorative finished accessories, such as toilet tank levers, ¼ turn valves, traps, etc. You can also mix and match finishes on a single fixture. For custom finish capabilities, contact JACLO with your needs.

Range of Budget Options — JACLO has a wide range of competitive pricing. If your budget changes, no need to start from scratch with a new manufacturer, JACLO will help meet your budgetary needs.

We Understand the Plumbing Contractor — JACLO technicians are product experts and here to help. We design our product to ensure easy installation for the plumber, saving your project time and money.

Unparalleled Customer Service — Real people answer your calls and care about your order - awarded Customer Service Department of the Year by multiple organizations.

Minimum Quantity is ONE — Just need one fixture in any finish, no problem. JACLO has a minimum quantity of one for all products in any finish.

Custom Fabrication Capabilities — We provide solutions to the most unique and complex situations. For custom product requests or custom bent showerarms contact JACLO.

Collaboration — JACLO considers our customers as partners. We will collaborate with you from concept to completion to determine the best product for your project.

Inventory on Hand — JACLO maintains a large inventory to fulfill our customers' quick delivery requirements. You can count on JACLO to deliver product in a timely manner.

Any Size Project — We supply product for any project regardless of the size, from onesie-twosie orders to large scale hospitality, multifamily, assisted living, and cruise projects.

American Company

WaterSense® Partner
