

Guaranteeing peace of mind from concept to completion.

The most discerning people understand that a great shower invigorates them for the entire day. It is this that inspires us to provide the world's finest showers, faucets, and bathroom accessories for those who seek the highest levels of design and performance. After all, our passion is to provide you with everything you need to create the ultimate bathroom experience.

cubix COLLECTION

Our Cubix collection is as bold as it is modern. Inspired by sleek, sharp and dignified square features and lines, Cubix is both durable and innovative. This trendsetting collection is the perfect complement to cosmopolitan lofts and luxurious spas.

contempo COLLECTION

Our Contempo collection is perfect for partial upgrades, original builds, or complete renovations. With its elegant presentation of rich curves, rounded edges, and an extensive choice of finishes, the Contempo collection can either blend seamlessly with other luxury manufacturers or function beautifully on its own.

JACLO®

jaylen

COLLECTION

Inspired by both traditional and contemporary designs, our Jaylen collection offers great style at a great value. Transitional handles and accessories and sumptuous curves highlight a collection that allows you to complete your project with quality, beauty, and reliability.

roaring '20s

COLLECTION

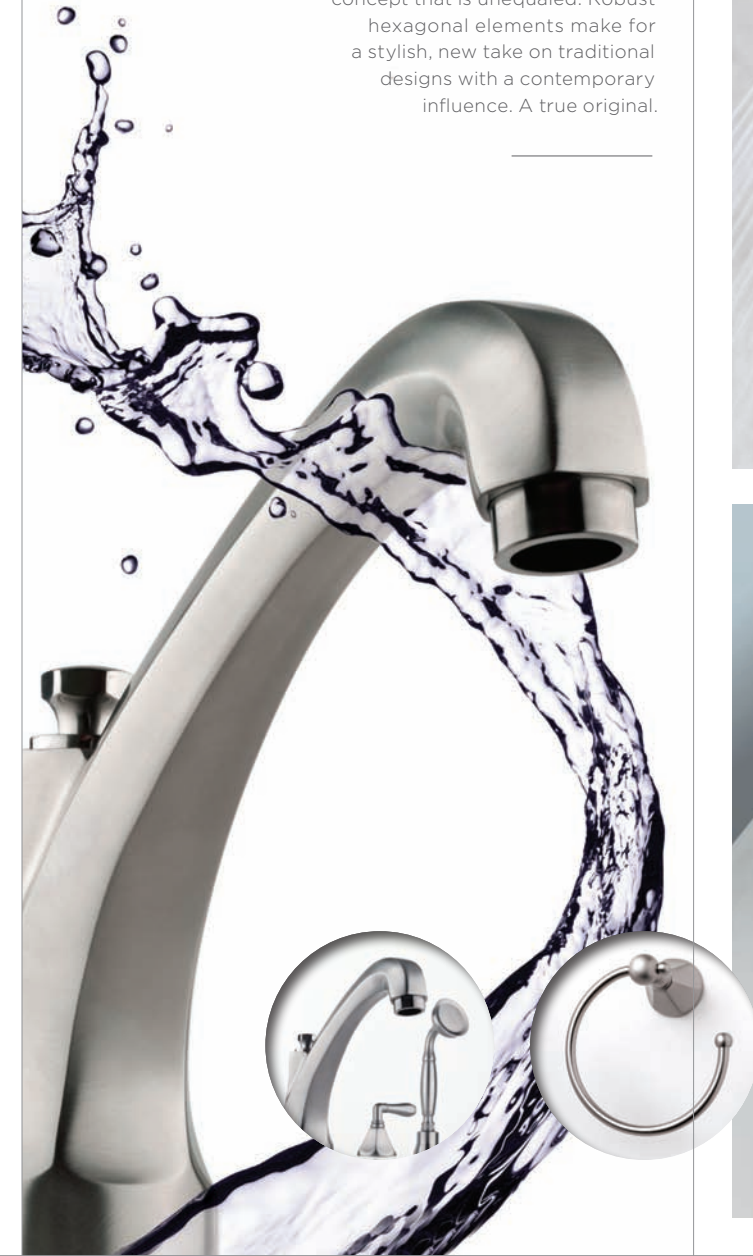

A throwback to the graceful European designs of the early 20th century, our Roaring '20s collection embraces elegant curves, long, narrow design elements, and classic, masterfully crafted detailing. Additionally, our state of the art plating facility guarantees consistent quality across a multitude of finishes. The very definition of style.

astor

COLLECTION

Our Astor collection showcases durability and an innovative design concept that is unequalled. Robust hexagonal elements make for a stylish, new take on traditional designs with a contemporary influence. A true original.
