FINISHES

JACLO is your one source manufacturer with a full range of faucets, shower systems, accessories, grab bars, channel drains, decorative specialities®, and the list goes on.

Our list of 65,000+ SKUs are available in 26 finish options that JACLO's American craftsmen have designed to complement every design style. While we are constantly developing new aesthetics and tones, our finishes also blend with most manufacturers' offerings. If you are looking to design your dream bathroom, update a few fixtures to match your current look, or design a large scale hotel, JACLO has the product for you.

JACLO products are finished in New Jersey using some of the most sophisticated processes available. Our state of the art techniques allow us to create unique products that not only meet industry standard, but exceed your design expectations.

*Brushed Stainless Steel (BSS) and Polished Stainless Steel (PSS) are also available finishes on specific product offerings.

*JACLO also offers mix and match finish options, where multiple JACLO finishes can create your custom fixture.
